ELEVATE YOUR ACQUISITION JOURNEY WITH A TRUSTED PARTNER

More than $400 billion in federal acquisitions have successfully used Noblis tools and services. Over 99% were accomplished without a sustained vendor protest.
Noblis professionals have the acquisition, technical domain, and industry expertise to suit any need. Regardless of where you are in the acquisition process, Noblis can help!

Compliance issues, time sensitivity, and growing security threats are among many risks that can impact acquisition success. Noblis understands that managing these barriers is a daunting task for contracting professionals. We help build the right strategies for our clients’ missions using a full acquisition life cycle approach. As a trusted partner, we commit to bridging the gaps between program offices, contracting officers, and industry to reduce risk and create value for our government customers.

DOING WHAT'S RIGHT AND WHAT WORKS FOR OUR CLIENTS

Noblis fosters a culture of collaboration. Through our Centers of Excellence (COEs), we connect our staff so they may better serve our clients. Noblis COEs reach across domain areas and our company to ensure the right capabilities, people, tools, and expertise are applied to our work. This enables us to offer every client the best solutions that fit their needs and challenges.

ABOUT NOBLIS

Noblis is a nonprofit science and technology organization with a reputation for independent objectivity that brings the best of scientific thought, engineering expertise, and strategic management. We work with a wide range of government and industry clients in the areas of national security, intelligence, transportation, healthcare, environmental sustainability, and enterprise engineering. Together with our wholly owned subsidiary, Noblis ESI, we solve difficult problems of national significance and support our clients’ most critical missions.

WORKING WITH US

Government agencies can access Noblis through a variety of contracting mechanisms. We have several IDIQ contracts in place and available to civilian and DoD agencies. We are also a GSA Schedule holder. For a full list of vehicles, visit noblis.org.
