

## **Jane Sonak (LTC U.S. Army, Retired)**

*Business Development and Capture Director (Army and Air Force Accounts)*

---

In her role as Business Development and Capture Director (Army and Air Force Accounts), Jane Sonak develops solutions in support of Department of Defense clients, particularly for the Air Force and Army. Ms. Sonak is a seasoned industry executive and proven leader with success in strategy, development and execution. She has extensive experience working in national security.

Prior to joining Noblis, Ms. Sonak was with Raytheon Technologies, where she supported the U.S. Army on cyber and software development activities. She brings over 20 years of information technology (IT), cyber, defense systems and military-related programs from her Army career to Noblis. Ms. Sonak is a skilled strategist and problem solver dedicated to serving the needs of the U.S. government and national security.

She earned her MBA in IT management from the University of Colorado and her bachelor's degree in cellular biology from Northeastern State University. Ms. Sonak also holds a Level III Information Assurance Management certification and is a certified Project Management Professional.
